In “The Secretary: Volume 2,” Lily LaBeau is a sexy, young applicant in search of a job with Evan Stone's company. Despite her innocent, shy demeanor, Evan knows she's actually a manipulative nymphomaniac, which is exactly what he's looking for. Meanwhile, company Vice-President Raylene sets her sights on young office stud Joey Brass, cornering him in the conference room for a quick tryst. Also, Zoe Voss struggles with the desire to confess her love for coworker Christian, and gorgeous new hire Rocco Reed looks to help Lily reform her evil ways. Not much work gets done in this office, but the benefits are orgasmic.

Mile High Media Vice President Jon Blitt says, “The first volume of ‘The Secretary’ was met with fantastic critical and commercial success. The series allows viewers to indulge in their dirtiest daytime fantasies at the office. Volume 2 once again features an amazing and sexy cast trying to remain productive while their co-workers are going at it in the supply room.”

Recently Mile High Media announced the inclusion of DVD extras in all future releases from Sweet Sinner and Sweetheart Video. “The Secretary:

Volume 2” features a slideshow gallery with beautiful glamour and sex photos from the movie, as well as behind-the-scenes videos.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinner provides a new kind of couple orientated erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
