“James brings out the passion and intense chemistry of his talented cast in this new installment of the acclaimed series,” said Jon Blitt, head of production for Erotica X’s parent company, O.L. Entertainment. “They unleash their passion and intense sexual energy for our cameras in four vignettes that capture the essence of the Pure Desire.”

“Pure Desire 6” begins with two college friends with undeniable chemistry who finally go all the way. Next, beautiful older women Cherie and Kendra realize they’ve both had a thing for each other since college when they then claim their moment to act on their lust. In scene 3, a secretary finds instant attraction to her new boss, ultimately embarking on a series of secret, on-the-job rendezvous. And finally, Karlee’s boyfriend must sneak into her house to avoid her disapproving dad, making their love burn hotter.

“Pure Desire 6” features four hardcore sex scenes shot in HD, along with a photo slide show, animated chapter index, movie trailers and more.

Erotica X features beautiful and intimate exchanges between performers – the main focus is on connections and chemistry. The movies are shot entirely on DSLR cameras for visually stunning results. Previews are constantly provided via the studio’s blog, <http://blog.eroticax.com>.
