Hospital rules are thrown out the window in "Big Breast Nurses 7." Nurse Kagney has to deal with an angry wife who blames her husband for his lack of sex drive, but Kagney knows the best cure. When a hardened criminal is brought in for a final check-up before going to the big house, Nurse Kortney gives him a final taste of freedom. It's Nurse Jenna's first day at the hospital, so she gets the royal tour of the relaxation room by the head surgeon. When a patient comes in complaining of insomnia, he is unsure if he is hallucinating the fact Nurse Baylee is coming onto him. Nurse Tasha doesn't have the best track record, so when a lawyer comes around asking questions, she needs to up the charm.

Director Bobby Manila states, "It's only natural that one of the most popular fantasies is to be attended to by a sexy nurse. When our girls bend over to take your temperature, their huge breasts spill out of their tops, and it's game on. Each volume of 'Big Breast Nurses' is a guaranteed commercial success for its simple combination of two wonderful niches –big boobs and nurses."

Reality Junkies recently announced the addition of DVD extras to each new release. "Big Breast Nurses 7" includes striptease solo videos, behind-the-scenes interviews, a slideshow gallery and cumshot gallery.

In his praiseful review of "Big Breast Nurses 6," AdultDVDTalk.com's Rosco Fuji wrote, "Reality Junkies' Big Breast Nurses 6 has a run time of 2 hours covering 5 scenes and continues providing the high quality product that is Reality Junkies forte. One thing I'm noticing about Reality Junkies releases is that they're really good. Their releases are definitely couples orientated and not overly sleazy. They consistently offer up a product where the overall focus is on very attractive women....A high quality product that you can't go wrong with."

Mile High Media formed Reality Junkies in 2009 to produce XXX reality content. The studio's lines are directed by Bobby Manila and Kevin Moore. Each line provides easily accessible scenarios, which allow for consumers to better enjoy the wild action. In addition to "Big Breast Nurses", Reality Junkies' hit series include "Mom's Cuckold", "Babysitter Diaries", "Cougar's Prey", "Couples Seeking Teens", "Office Perverts" and more!
