"With an amazing rollout last month with two outstanding releases, Bellesa Films keeps the momentum going with an exciting new release," said Jon Blitt, head of production for Hard X's parent company, O.L. Entertainment. "Jacky did a phenomenal job taking viewers into the world of passionate women and the men in their lives."

"Secrets & Seductions" begins with Angela, a married woman, who allows her friend to hook her up with a sexy stranger. But when they meet at a private mansion for a sexual encounter, she discovers that the "stranger" is actually her friend's husband. Next, after Honey berates her new roommates Chanell and Damon for making too much noise, they invite her in for a few beers to make up for it. As the

evening progresses, attraction among all of them grows and things take a sexy turn.

In scene 3, Alexa and Isiah share an attraction so intense that, when they normally meet up, few words are exchanged before they start ripping each other's clothes off. Finally, workplace attraction is the theme as Ryan's employee, Gina is burdened by the sexual tension that she and her boss share, so when she goes over to his house one weekend to finish up some work the two get better acquainted.

Bellesa movies are shot in 4K ultra high def by St. James and feature a photo slide show, animated chapter index and more.
