“I’m so proud of this movie, *Blended Family*,” says Chi Chi LaRue. “It’s a terrific script by Dana Vespoli and includes some of the best acting and sexual performances I’ve had the pleasure to work on lately. DeAngelo Jackson is very well known for his Noir Male performances, his physique and stunning presence, I had no idea that he has such amazing acting chops! Putting him together with a terrific cast that includes Nic Sahara and Silvia Saige brought this all together. I think some of the critics are gonna be quite surprised by this feature.”

“Blended Family” opens with Silvia, who has just married the delicious DeAngelo and everything seems to be going fine until her lustful younger brother Nic shows up and throws himself into the mix. DeAngelo’s secret desires come to the surface and his man-to-man feelings are finally fulfilled.

The movie features four intense hardcore sex scenes shot in HD along with animated chapter index, a photo gallery and more.

Movies from Icon Male are unique to the gay marketplace and embody what fans have come to expect from directors Nica Noelle

and Dana Vespoli, and Chi Chi LaRue— genuine and intimate exchanges between performers featuring forbidden sex, emotion and compelling storyline.
