Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own content. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Market trends and demand led Mile High to then create Sweetheart Video (lesbian line), Sweet Sinner (couple's erotica line), Reality Junkies (reality gonzo line), BiEmpire (bisexual reality gonzo line), Icon Male (gay romance line), TransSensual (TS romance line) and new interracial gay line Noir Male. With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD, DVD and mobile applications.
