"Ricky weaves together an unsettling mystery where gorgeous college coeds are disappearing in the woods one by one," said Mile High Media Vice President Jon Blitt. "It's a perfect combination of suspense and intense lesbian passion from our talented cast of adult superstars."

"Terror Camp" begins in June of 2017 when a group of college students hike out to the Los Padres Forest, hoping to find evidence of a local urban legend. But after the first night, their professor (Alexis Fawx) goes missing. Aidra (Aidra Fox) believes her classmate Cecilia (Cecilia Lion) is playing games with her and is trying to sabotage her research. But when weird noises are heard at night and more people go missing, Aidra with the help of her friend Charlotte (Charlotte Stokely) decide to leave camp and investigate further into the woods – never to be seen again. A few years later, the missing students' video and cell phone footage is unearthed and their story is now finally revealed.

Rave reviews are already in for "Terror Camp." Christina of [AIPdaily.com](#) commented, "Horror and porn are natural partners I mean how many horror movies have you seen that have plenty of nudity and "sex" scenes? The fact that this is a lesbian story is especially fun to watch simply for the fact that you never really see that...Hopefully Sweetheart and Ricky Greenwood decide to do more movies in this genre in the future. If you enjoy lesbian porn and like a good story, then you should pick this one up."

Shot in HD, the DVD features four scenes of lesbian sex, as well as a slide show of exclusive photos, behind-the-scenes footage, animated chapter index, no regional coding, and more.

Sweetheart Video is the place for those lovers of girls who can't have enough soft breasts, fully shaved beauties and toe curling orgasms. It features high-quality lesbian erotica and lesbian porn with real orgasms and the hottest adult stars.
