"I was so happy to be a part of this hilarious holiday release," says Joanna Angel. "Ricky's homage to John Waters was right up my alley, I enjoyed how over the top and ridiculous my character got to be. It um...well... it came pretty natural to me. Almost too natural. Thank you Ricky for having me be a part of another one of your incredible films, and I wish a merry lesbian Christmas to all the SweetHeart video fans!"

"A Lesbian Christmas Story" tells the story of a family stuck together on Christmas Eve during a snowstorm. It opens with Mrs. Bell (Jackie Beat) uses the situation as an opportunity to ask her rich sister, Fable (Silvia Saige), for money. To succeed in her task, she needs the evening to be perfect, so she hires a maid named Arya (Rocky Emerson) to help her daughter Eve (Aiden Ashley) clean the house during the evening. Everything was fine until her drunk husband brings Fable's ex-girlfriend, Lola (Charlotte Stokely) to the party. Unfortunately for Mrs. Bell, Lola will not be her only problem that night because her other sister-in-law, Fabula (Joanna Angel) is mentally unstable and can explode at any moment. It will certainly be a long night at the Bell house this Christmas.

“Joanna, Silvia and Charlotte shine as they bring their charm and sex appeal to this engaging, dysfunctional comedy from the talented Ricky Greenwood,” said Mile High Media Vice President Jon Blitt. “Fans will be captivated by this outrageous take on the holiday season and the performances of this amazing cast of artists. You won’t want to miss this outstanding feature from Sweetheart Video.”

Shot in HD, the DVD features four scenes of lesbian sex, as well as a slide show of exclusive photos, behind-the-scenes footage, animated chapter index, no regional coding, and more.

Sweetheart Video is the place for those lovers of girls who can't have enough soft breasts, fully shaved beauties and toe curling orgasms. It features high-quality lesbian erotica and lesbian porn with real orgasms and the hottest adult stars.
