“James explores the sensual lives and intense connections between loving couples in this new installment of the popular series,” said Jon Blitt, head of production for Erotica X’s parent company, O.L. Entertainment. “Featuring an outstanding cast that blends beauty with real passion, ‘Internal Love 6’ is filled with great performances and will undoubtedly be a new favorite for fans of the series.”

“Internal Love 6,” begins with Melody who decides to make breakfast for her lover and soon turns the kitchen into a disaster zone, but that doesn't stop them from making passionate love. Next, not wanting their date to end, Audrey sneaks around the back of her parents' house and wants Michael to make love to her and climax inside her. Scene 3 features Lacy who wants her boyfriend to be more spontaneous. So, he tosses her into the pool for a fiery moment of underwater oral, then they head to the bedroom for some passionate sex. Finally, after losing her job, Aften seeks comfort in her husband and craves some sensual lovemaking with him ejaculating inside her.

The movie features four hardcore sex scenes shot in HD, along with a photo slide show, animated chapter index, movie trailers and more.

Erotica X features beautiful and intimate exchanges between performers – the main focus is on connections and chemistry. The movies are shot entirely on DSLR cameras for visually stunning results. Previews are constantly provided via the studio's blog, <http://blog.ericax.com>.
