“Ricky offers up four new tales of passionate stepmoms giving into forbidden temptation,” said Mile High Media Vice President Jon Blitt. “Gorgeous cover models Korra Del Rio and cis performer Ashley Lane are breathtaking in their scene. And that's just for starters, it's no wonder the film is already topping charts and number one on HotMovies!”

“My TS Stepmom 3,” begins with Cindy (Korra Del Rio) catching her stepdaughter (Ashley Lane) taking photos of her and decides to be compassionate rather than punitive, as long as what goes on between them stays secret. Next, cis stepdaughter Lisa (Aiden Ashley) takes advantage of a small moment of privacy to let off some steam but is then interrupted by her chatty stepmother (Foxy) who finds her porn history on the computer, but instead of being mad she is turned on.

In scene 3, Hugh (Dante Colle) goes to pick up his stepmother (Melanie Brooks) to take her to a party. But she isn't in the mood to go and convinces him that it would be more fun to stay home and have sex instead. Next, Paul (Joel Someone) asks his stepmother (Eva Paradise) for a loan. She doesn't think he's trustworthy and asks him to prove himself.

“My TS Stepmom 3,” was shot in HD and includes a photo slide show, animated chapter index and more.
