The movie tells the story of Brandon and Carly who were at one time very much in love, but since their breakup years ago a lot has changed. Brandon has moved on with a new girl and Carly – well, she can't seem to let the past go. So, when she and Brandon reconnect years later with her feelings still raw, she hopes that the two might be able to rekindle what they once had.

But, when Brandon makes it clear he's moved on, Carly does too – by growing closer to his best friend, Drew. However, in the rule of love – you don't sleep with your best friend's girl – even if she is an ex. Drew and Carly now wonder if they'll be able to resist the temptation or will Brandon realize that maybe his first love could be his newest love?

The DVD includes behind-the-scenes footage, a photo slide show, animated chapter index and more.
