The movie tells the story of Jimmy, a computer programmer who spends the majority of his time alone. So, when he meets the girl of his dreams online, he is willing to be with her at all costs. But, when a computer glitch leaves her video camera on all the time, he betrays her trust by watching her every move. With an inside look into his dream girl’s world will he discover something worthy of lasting love, or secrets darker than he ever imagined?

The DVD includes behind-the-scenes footage, a photo slide show, animated chapter index and more.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinner provides a new kind of couple’s-oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
