About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own content. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to then create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line) and TransSensual (TS romance line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is a continual trendsetter, earning AEBN.net 2012 Studio of the Year title and FSC 2016 Production Company of the Year.
