“‘The Stripper’ is one of those exciting and sexy movies, which captures the attention of retailers and consumers long before its release,” says Mile High Media Vice President Jon Blitt. “Pre-orders on the title have been excellent. It’s a movie with an enticing subject matter, an all-star cast, and an engaging story.”

James Avalon wrote and directed “The Stripper,” a movie about Charlie’s plans to make an honest woman out of his girlfriend, May (Jennifer White), a former stripper. When times get tight and stress levels heighten, people let their emotions get the best of them. Charlie’s addiction to strippers risks returning; while Mary has some former clients who are always ready to let her be her true self. It’s the best in erotic drama from Sweet Sinner.

“The Stripper” also stars popular male porn stars Dane Cross and Marcus London.

Several of Sweet Sinner’s releases in 2012 are nominated for AVN and XBIZ awards, while the studio is up for Studio of the Year at the XBIZ Awards.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. **About Mile High Media:**

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment.
