In "Shades of Pink," Justine Joli is a woman who knows what she wants. She has a well-trained slave in Maddy O'Reilly, who is sexual perfection; but it's time for Maddy to move on to another Mistress. So Justine has to search for her replacement: a woman she can bring pleasure to; a woman open to more than an ordinary life has to offer. Upon spotting Kirsten Price, Justine knows Kirsten "is" that woman. By introducing different women into Kirsten's life, Justine slowly begins the process of breaking Kirsten, turning her into the woman she always yearned to be and Justine's ultimate slave.

"Shades of Kink" also stars popular adult performers Dana DeArmond, Sinn Sage, and Kiera Winters in four must-see sex scenes.

The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications.
