In “Mother Lovers Society: Volume 10,” bratty daughter Riley is taught a lesson when she tries to blackmail her dad's fiancée, Dana. Meanwhile, Dana's best friend, Eva, falls prey to young Kimber, as the girl works to distract her from Riley's blackmail scheme. Spoiled Keira tries to convince Professor St. Michaels to raise her grade, giving the older woman the hottest incentive possible. Finally, conflicted Claire sees therapist India, who helps the young girl find herself sexually. This steamy saga is filled with scandal, passion, and the real orgasms making Sweetheart the best in lesbian erotica.

Writer / director Dana Vespoli says, “After seeing how much fun the performers had in previous volumes of ‘Mother Lovers Society,’ I knew I wanted to be a part of the tenth volume. Riley is a spectacular performer – innocent and filthy all at the same time. Fans will see why she is deserving of all the honors coming her way after watching this movie.”

In his review of the series' previous volume, XCritic.com contributor Rob Perez wrote, “Lots of ball draining action...a powerhouse cast.”

Sweetheart Video's goal is to create original, innovative girl / girl erotica for the discerning viewer. Sweetheart films are storyline-driven, carefully cast, and always containing real sexual encounters between women who truly want to be together.
