Superstar MILFs Kendra Lust & Julia Ann Headline Sweet Sinner's 'Mother Exchange 1'

MONTREAL, Quebec (February 12, 2014) – Mile High Media has released the first volume of the new series, "Mother Exchange." In the vein of Sweet Sinner's bestselling affair series, "Mother Exchange" took the scandal one step further to allow for a mom-swap. "Mother Exchange" features superstar MILFs Kendra Lust and Julia Ann.

Directed by James Avalon, "Mother Exchange 1" also stars Amanda Tate, James Deen, Seth Gamble, and Marcus London.

When a young man catches his best friend having an affair with his mother, he runs off disgusted and humiliated in "Mother Exchange." However, he later discovers his best friend's mother also has a dark, sensual side, and soon falls under her erotic spell.

James Avalon says, "I feel for the underdog, so I always felt one person was getting duped in our series like 'My Girlfriend's Mother' or 'My Mother's Best Friend.' We created this series specifically so everyone can get in on the action. After all, any guy who beds his buddy's mother needs to realize he's putting an open season target on his own mother."

"Kendra and Julia Ann are world class MILFs," states Mile High Media Vice President Jon Blitt. "They are classy and sexy – the perfect women to get our new series started."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications.
