Dana Vespoli directs the newest release in Sweetheart Video’s heavily lauded series. In “Lexi Belle Loves Girls,” Lexi reveals herself as she never has before, through behind the scenes coverage, personal confessions, and interviews with four of her favorite girls: Skin, Raven, Kristina, and Nikki. Lexi lives out four different fantasies with each girl, showing fans how playful, passionate, intense, and beautiful she and her girlfriends are!

“Lexi Belle is one of the most sexual women I have ever met,” states Dana Vespoli. “It was a real treat to be able to capture her in four amazing scenes, with performers of her choosing. The chemistry is undeniable, as Lexi gives each girl the orgasm of her life!”

Previous volumes of the “Loves Girls” series include “Asa Loves Girls” with Asa Akira, “Inari Loves Girls” with Inari Vachs, “Dani Loves Girls” with Dani Daniels, “Sinn Sage Loves Girls,” and “Allie Haze Loves Girls.”

In a review of “Dani Loves Girls,” [XCritic.com](#) contributor Evan Leaf wrote, “When a movie has one hot chick in every scene, it’s usually on the right path. When that hot chick is a superstar, who enjoys women, and has picked her pleasures, the result is a top notch production.”

Sweetheart Video’s goal is to create original, innovative girl / girl erotica for the discerning viewer. Sweetheart films are storyline-driven, carefully cast, and always containing real sexual encounters between women who truly want to be together.
