In addition to the duo of Bonnie Rotten and Bailey Blue, "Lesbian Adventures, Strap-On Specialists: Vol. 6" stars Jodi Taylor, Lia Lor, Chloe Foster, Aiden Starr, Lea Lexis, and Ash Hollywood.

In the movie, yoga master Lea teaches flaky Ash a lesson in loyalty as she aggressively straps the nubile blond into submission. Bar owner Bonnie catches her waitress girlfriend Bailey flirting with a customer, so she pulls a new trick out of her bag in an effort to keep her lover from straying. Nosy resident assistants Lia and Jodi pack up a slutty expelled student's dorm room only to find a strap-on and dildo, making good use of it. Finally, nervous medical assistant Chloe is about to lose her job, until her boss, Dr. Aiden, helps her find a new way to relax.

Director Dana Vespoli says, "This is a series about dominance and submission, which means the performers must be cast perfectly to portray real chemistry. Starting with Bonnie and Bailey, and carrying through to the rest of the pairings, the girls deliver amazing scenes!"

Sweetheart Video's goal is to create original, innovative girl / girl erotica for the discerning viewer. Sweetheart films are storyline-driven, carefully cast, and always containing real sexual encounters between women who truly want to be together.
