The stunning cast of bombshell older and younger ladies includes Zoey Holloway, Alina Li, Darla Crane, Lola Foxx, Veronica Avluv, Pepper Kester, Alana Evans, and Penny Pax. Dana Vespoli directs the movie.

In "Lesbian Adventures: Older Women, Younger Girls Vol. 5," cutie Lola takes over housekeeping duties for her mom and becomes attracted to Darla, the lady of the house. Bratty stepdaughter Alina drives stepmom Zoey crazy, stealing her new mom's rare, limited edition sex toy. Nanny Penny harbors a heavy crush on Alana, who thinks the girl is after her husband – luckily everything becomes clear in the hottest way possible. Finally, concerned stepmom Veronica confronts sullen stepdaughter Pepper about a possible eating disorder. Veronica helps Pepper to see how lovely the younger girl is, and Pepper returns the gesture with orgasm after orgasm... a theme throughout the erotic movie.

"We are quite proud of this series, from the great sales numbers to the award nominations," says Mile High Media Vice President Jon Blitt. "Lesbian Adventures: Older Women, Younger Girls' gives girl/girl porn fans exactly the passionate sex they crave."

Sweetheart Video's goal is to create original, innovative girl / girl erotica for the discerning viewer. Sweetheart films are storyline-driven, carefully cast, and always containing real sexual encounters between women who truly want to be together.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEON.net to name Mile High the 2012 Studio of the Year.
