The James Avalon helmed fetish movie features Sara Luv, Scarlet Red, Chloe Foster, James Deen, Mr. Pete, and Tyler Nixon.

In “Shades of Kink: Volume 3,” Sara Luv plays Audrey Burn, whose tedious life becomes incredibly interesting when she meets a mysterious and dashing man who takes her for a walk on the wild side. She never thought such a deep and passionate romance would include bondage, spanking, humiliation, sexual dominance, and submission.

Mile High Media Vice President Jon Blitt states, “While the adult industry saw a bit of a lull in fetish sales from the previous boom due to a certain trilogy of books, the new trailer for the movie adaptation has created a renewed frenzy for all things kinky. As fans wait for Hollywood’s foray into fetish next year, they can satisfy their curiosity for submission and domination with our erotic series, ‘Shades of Kink.’”

Upon watching the previous volume in the series, [XCritic.com](http://XCritic.com) reviewer Don Houston wrote, “Give this one a look with a significant other if you are considering expanding your sexual boundaries...”

[AdultDVDTalk.com](http://AdultDVDTalk.com) reviewer Captain Jack gave the movie four stars and stated, “If you want to dabble in BDSM, this would be a good starting point.”

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its

entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. For more information, visit [www.SweetSinner.com](http://www.SweetSinner.com).
