"The concept for 'Forbidden Encounters' is the essence of our approach to sex with Icon Male, and in fact, it was the very first series I came up with," says Nica Noelle. "At Mile High we're known for storyline-driven porn with drawn-out seduction, and I didn't want to compromise that. At the same time I wanted to focus on the sex. I wanted the sex to tell the story. I paid extra attention to casting to pull it off. I'm very proud of this movie and the amazing performers. They gave so much to bring this new concept to life."

Jon Blitt, vice president of Mile High Media, says, "Icon Male's first release blew us away with its immediate success, however 'Forbidden Encounters' is already showing incredible sales and demand, it's not to be outdone. Fans are just beginning to get a taste of what Nica has in store for Icon Male. This release is another unique and exciting new series that fans are craving."

Peek into the secret rendezvous of four beautiful male couples that are struggling with intense, forbidden desires. Muscular Billy Santoro is engaged, but his real passion is for his fiancé's young, slender brother (Ludo Sander). Similar family conflicts burden tumultuous older/younger couple Brad Kalvo and temperamental, sexy teenager Armand Rizzo. Meanwhile, Ty Roderick struggles with his desire for new stepfather Adam Russo and brother-to-be Liam Harkmoore. Real sex, real positions, real

orgasms, no dissolves.

Movies from Icon Male will be unique to the gay marketplace and embody what fans have come to expect from Nica Noelle and Mile High Media – genuine and intimate exchanges between performers featuring forbidden sex, emotion and compelling storyline.

Other Icon Male series slated to release include WWII period piece “Prisoners of War” and “Men Seeking Men”.

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line). With over 2000 titles, Mile High’s studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications.
