In addition to Ariella Ferrara and Alana Evans, "Mother Exchange 3" stars Samantha Rone and Steven St. Croix, as well as Tyler Nixon and Xander Corvus as the sons.

The erotic movie begins when two moms, who once had a lot of fun sexual adventures together when they were younger, meet up again after their sons are grown. They love seeing each other, but not quite as much as they love seeing the chiseled men each of the boys has become.

Director James Avalon says, "This is a MILF series where the mothers wield all the power, choosing to give into their lustful dreams and pursue younger men. Ariella and Alana are perfect examples of women who have become even more desirable as they age – they embrace their sexuality and take what they want."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
