The art of tribbing takes the girls to orgasmic heights in the newest installment in Sweetheart Video's "Lesbian Adventures: Wet Panties Trib." In Volume 7, cutie Sara is sad to see Hungarian exchange student Amirah leave for home. After much deliberation, Sara works up the nerve to give her a proper farewell gift. When college girl Presley figures out dorm mate, Aidra, has been stealing her clothes in the second scene, the confrontation becomes hot, as both girls find a way to resolve their differences.

Meanwhile, popular teen Jodi tries to seduce nerdy Samantha, who would rather study physics than make out with a girl. Jodi convinces her to try "one kiss," and Samantha soon finds herself doing more than just that. In the final scene, Jessie has had enough of her messy roommate Abella. She teaches her a lesson she will never forget.

"There's a lot for fans of all-girl sex to love in the 'Wet Panties Trib' series," states Mile High Media Vice President Jon Blitt. "Dana has given us an amazing collection of beautiful girls for Volume 7, which make it one of the hottest installments to date!"

Sweetheart Video's goal is to create original, innovative girl / girl erotica for the discerning viewer. Sweetheart films are storyline-driven, carefully cast, and always containing real sexual encounters between women who truly want to be together.
