"These are all great scenes but the ones that really stopped my heart were Nick/Brendan, and Connor/Dirk," says Nica Noelle. "Connor plays the son of one of Dirk's longtime close friends, and both performers really expressed the passion, urgency and playful intimacy this scene required. Anyone who watches it will see exactly what I'm talking about - it's not your typical porn scene, even for Icon Male."

Noelle continues, "Nick Capra is obviously one of my favorite people to work with, and I thought he would do an amazing scene with Brendan Patrick. Brendan's a true artist and a real actor, and the most sensitive, beautiful soul. The scene between them was so intense that Brendan was really flustered afterward, and he told us how completely different an experience it had been for him saying it was *real sex*, and he's *never experienced anything quite like that on a porn set before*. Capturing those moments, where the performers are truly surprised by the experience they have, is what makes my job worthwhile. It doesn't always happen, but when it does, it reminds me why I became an adult filmmaker."

Secret sexual trysts between men continue in 3rd volume of Icon Male's "Forbidden Encounters." Daddy Dirk Caber lusts for his friend's young son Connor Maguire and they meet up for a secret marathon sex session. Pretty young JD Phoenix grows up to see his former babysitter Brendan Patrick in a new light. Jessie Colter finds God and tries to go straight but hot, muscular Billy Santoro has other ideas, and Nick Capra gently leads Brendan Patrick through his first experience with gay sex.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
