

ICON MALE'S CHART-TOPPING SUCCESS CONTINUES IN "FATHERS & SONS VOL. 2"

Nick Capra Is Back, As A Father Lusting After The Forbidden In Director Nica Noelle's New Feature.

MONTREAL, Quebec (June 10, 2015) –Gay romance studio Icon Male's chart-topping feature, "Fathers & Sons" is back with volume 2. From Mile High Media and award-winning director Nica Noelle, "Fathers & Sons Vol. 2" captures the ultimate dynamic, friendship and forbidden love. Nick Capra and Dirk Caber have an enduring friendship that falls into forbidden territory—the other mans son and perhaps each other. The star-studded cast includes seductive sons, Ian Levine and JD Phoenix.

"In Fathers & Sons Vol.1 we shot in New Hampshire in the middle of summer, so I wanted this one to be set in winter, with lots of snow everywhere -- a whole different look," explains Nica Noelle. "I'm glad we were able to achieve that, and to give the fans the kind of visual richness and variety they've come to expect from Icon Male."

Noelle goes on to discuss the casting saying, "I brought back Nick Capra for Fathers & Sons 2 because he was such a fan favorite in the first volume. Nick is truly at the top of his game as an artist and performer and he brings so much to every movie. The lead in to his sex scene with JD Phoenix is so playful and romantic - you can feel the chemistry between them."

"Ian Levine is probably the most adorable guy in porn. I decided to use his naturally mischievous personality to create a character that looks innocent and sweet but is really scheming to get Dirk Caber. Dirk is one of the best mature actors working in adult film, and the contrast between him and Ian - physically and otherwise - really adds to the eroticism of their scene."

When old college buddies David (Dirk Caber) and Mark (Nick Capra) take their young sons (Ian Levine and JD Phoenix) to the mountains for a winter retreat, snowball fights and late night card games create unexpected sexual tension between the pairs. As the gorgeous sons struggle with their taboo desires, they turn to each other's dads for support - and the sexual gratification their young bodies crave.

Written and directed by Nica Noelle.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for

American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led
