Nica Noelle comments on the new series saying, "This movie is special to me because it gave me the chance to shoot TS lesbian scenes, which are very difficult to find in the porn landscape. Lesbians like Chelsea Poe and Tiffany Starr, who often have little choice but to work with men because g/g scenes are not offered to them, were so excited to work on this title, and the passion in their scenes speaks for itself. It was also wonderful for cis-women like Mz. Berlin and Suzie Spindrift who love trans-women and rarely get to work with them. Hopefully we'll see a bigger market and more demand for TS lesbian scenes in the years to come."

The transition from girl to woman can be tough, and for these wayward TS beauties it's even more challenging. Enter Mz. Berlin, the unorthodox cis-Headmistress at a school for troubled teens. TS lesbian teen Chelsea Poe seduces blonde cis-cutie Suzie Spindrift, earning her some severe sexual discipline from Mistress Berlin. Troubled TS Tiffany Starr also gets a big dose of tough love from Berlin, while Chelsea's TS aunt Jacquelin eases the stress caused by her troubled niece with hot young lover Wolf Hudson. Written and directed by Nica Noelle.

Inspired by Mile High Media and award-winning director Nica Noelle's success with newly launched gay romance studio Icon Male, and award-winning studios Sweet Sinner and Sweetheart Video, TransSensual exemplifies Noelle's distinctive style with a slight twist, producing trans-positive erotica, deviating from the typical TS porn genre. TransSensual highlights the most stunning TS performers with an emphasis on ordinary people, confronted with sexual temptation and conflict, focusing on the emotions that fuel real, passionate sex.
