"This was my first time working with River and she's just amazing," says Nica Noelle. "I thought she brought just the right tone of repressed lust and longing to the role. She's got such a powerful aura and she's so smart, she really understood her character and knew how to make her come to life."

Noelle continues, "This was also my first time working with Aspen Brooks, who I actually named! She's a brand new performer, and I absolutely adore her. She reminds me of an old movie star from the 40's or 50's. She has such a fresh-faced quality and such innocence. You can expect to see a lot more of her at TransSensual."

"It's always a pleasure to work with Wolf Hudson. He's been such a trailblazer, and it's very gratifying to finally be able to work with him in all the different genres of adult film. It was always our dream that we could artistically explore multiple genres together, and now we're doing it and it's great."

Sweet, shy Sarah (Danica Dane) is stuck in a troubled relationship with insensitive Dimitri (Wolf Hudson) and finds solace in her friendship with intellectual, understanding Professor Rivers (River Stark). But Dimitri suspects the brilliant professor's interest in Sarah is more than academic, so he confronts the sexy redhead and tries to seduce her. Will a man come between the older and younger women, or is their lesbian love destined to prevail? Starring: River Stark, Aspen Brooks, Jaxton Wheeler, Wolf Hudson, and Danica Dane. Written and directed by Nica Noelle.

Inspired by Mile High Media and award-winning director Nica Noelle's success with newly launched gay romance studio Icon Male, and award-winning studios Sweet Sinner and Sweetheart Video, TransSensual exemplifies Noelle's distinctive style with a slight twist, producing trans-positive erotica, deviating from the typical TS porn genre. TransSensual highlights the most stunning TS performers with an emphasis on ordinary people, confronted with sexual temptation and conflict, focusing on the emotions that fuel real, passionate sex.
