Mile High Media Vice President Jon Blitt states, "Older and younger series, regardless of which sex is more mature, are always a huge hit. They tap into the taboo desires that many people around the world share – that forbidden attraction to someone who is too young or old for you based on what society dictates. 'Father Figure' throws that notion out, allowing hot, young starlets to get their fix of older men."

"If you want to get something to watch with your lady, this would be it!" exclaimed AdultDVDTalk.com reviewer Captain Jack upon viewing the previous installment of "Father Figure."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line), Icon Male (Gay romance line) and recently launched TransSensual (TS erotica line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN to name Mile High the 2012 Studio of the Year and most recently the receipt of FSC 2016 Production Company of the Year award.
