"Super Cute: Vol. 4" stars teen sensations Alex Grey, Naomi Woods, Hope Howell, and Adria Rae.

"Mason has once again put together an amazing cast of young talent for 'Super Cute,'" states Jon Blitt, head of production for O.L. Entertainment, the company behind award-winning studios Hard X and Erotica X. "Like a true Lolita, each of the girls displays sweet innocence on the surface, but they quickly reveal their deepest desires when the cameras start to roll."

Hope Howell is a wholesome looking girl, who happens to love having people watch her have anal sex. Lexington is available to help her live out her fantasies. To view the trailer for Hope Howell's scene with Lexington Steele, click [here](#).

Nineteen-year-old Adria Rae is only a year removed from high school, where she was a good student but had a rebellious streak. Ready to indulge in her wild side, the petite brunette straps on her roller skates and lounges back on the couch for a cool ride with Mick. Naomi Woods is a petite 19-year-old from Miami and has always been a very sexual girl. She reveals some of her adventures with sex in public before getting down to business with James, who turns her into his private spinner. Alex Grey is a tiny North Carolina darling. She comes to Hard X after only a short time in the industry, but she reveals she's always been sexually adventurous, starting with the first time she ever had sex (which happened in public). Now the sexy little blond is in for a new sort of exhibitionist adventure, courtesy of Mick. To view the trailer for Alex Grey's scene with Mick Blue, click [here](#).

"Super Cute: Vol. 4," like all Hard X and O.L. Entertainment productions, uses gorgeous locations and high-end production values to capture the beauty of the performers and the passion of the sex. In contrast to its sister studio, Erotica X, movies from Hard X include the wildest, kindest, and dirtiest sex available to fans, all featuring a trademark style developed by Mason.

Hard X's official membership website, www.HardX.com, features all of the studios new scenes upon release. Fans may now join the site to be among the first to see "Super Cute: Vol. 4."
