The dark and sinister tale of illicit lesbian love begins when Heather wakes up in the hospital, and she has no memory of the past several months. Her dutiful stepsister, Katie, is by her side, ready to help her recover. It is not long before Heather discovers that her sister is harboring secrets, and that Heather is in grave danger. She is unsure whether she can trust her own emerging memories, or if Patsy, who claims to be her lesbian lover, is telling the truth that Katie has bad intentions. As Heather struggles to put the pieces of her life together, she begins a dark journey of twisted passion, greed, and evil.

“This popular series speaks to the growing demand for taboo content about complex family relationships,” states Mile High Media Vice President Jon Blitt. “Step-siblings may find themselves torn between their attraction and what society deems appropriate. This dynamic is one our fans crave and Dana does a perfect job creating with series like ‘Lesbian Stepsisters.’”

The faux-incest porn phenomenon, also known as fauxcest, has been covered by numerous major news outlets, including [Mic.com](#), [Refinery29.com](#), [Vice.com](#), and more.

“A lot of [the fauxcest boom] is a reflection of what our preoccupations are in mainstream society,” “Lesbian Stepsisters 4” [director Dana Vespoli told Mic.com](#). “[But] because of what people typically do when they watch this content (i.e. masturbate), it’s a more primitive response. People are fighting against whatever rigid boundaries are in their lives. It’s the need to break against convention and feel free in a safe and legal place.”

Sweetheart Video’s goal is to create original, innovative girl / girl erotica for the discerning viewer. Sweetheart films are storyline-driven, carefully cast, and always containing real sexual encounters between women who truly want to be together.
