"I was so excited when Brandon told me that he wanted me to shoot his first gangbang," comments Nica Noelle. "It's the first gangbang I ever shot, too! I love Brandon so much - I call him my spirit animal - so it was important to me to create something that would be fun for him to perform in and that we could both be proud of."

"One of the biggest challenges for me was to find a way to create a scenario that would lead into a gangbang yet not be 'too porno' and I was having a hard time coming up with something. But about a week before the shoot my car got stuck in the snow and out of nowhere a bunch of guys in a truck pulled up beside me and helped me get my car out. Bingo! Just like that I had our gangbang scenario!"

Brandon Wilde took the casting reins for his first gang-bang, selecting his costars. The movie features Billy Santoro, Jack Hunter, Jaxton Wheeler, Vadim Black, and Logan Moore.

"I was happy Brandon chose guys I either wanted to shoot or that I already know and love," says Nica Noelle. "Billy Santoro is one of my favorite guys. I was dying to work with Logan Moore, and of course Vadim Black, who really impressed all of us - especially Brandon! As weird as this may sound, it actually turned out to be a very romantic gangbang."

Sexy porn superstar Brandon Wilde has done a lot of wild things in his career - but he's never had the thrill of bottoming for several men at once. In "Brandon Wilde's First Gang Bang," Brandon explains what's behind his insatiable desire for passionate tops, why he chose his costars, and why he wanted Icon Male to make his wildest dream come true.

"Brandon Wilde's First Gang Bang" includes BTS interviews, candid footage, and a surprisingly romantic seduction with all the foreplay, intimacy, and passionate sex fans have come to expect from Icon Male.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
