The previous installment in the series, "Super Cute: Vol. 4," was named an XBIZ Editors Choice. Reviewer David B. Lewis wrote, "Mason, as usual, does a great job of interviewing these new, young girls, as well as shooting them."

"Mason's trademark style has spawned a ton of imitations, but no one can come close to her ability to capture a starlet's personality and show her in a different light, while also coaxing out a career defining performance," states Jon Blitt, head of production for O.L. Entertainment, the company behind award-winning studios Hard X and Erotica X.

In "Super Cute: Vol. 5," the four young starlets share their fantasies with Mason, as they tease the camera and touch themselves. Filmed before scenic backdrops and in gorgeous locations, each girl gets thoroughly wet before spreading their legs for a lucky stud.

"Super Cute: Vol. 5," like all Hard X and O.L. Entertainment productions, uses gorgeous locations and high-end production values to capture the beauty of the performers and the passion of the sex. In contrast to its sister studio, Erotica X, movies from Hard X include the wildest, kindest, and dirtiest sex available to fans, all featuring a trademark style developed by Mason.

Hard X's official membership website, www.HardX.com, features all of the studios new scenes upon release. Fans may now join the site to be among the first to see "Super Cute: Vol. 5."
