“Working with Killian James is so much fun, and his scene with Adam Russo is a total showstopper,” says Nica Noelle. “They both have tremendous energy and passion, and it resulted in one of the most intense and explosive sex scenes I’ve ever shot.”

“I worked with Roman Todd, Derik Reed and Billy Ramos for the first time on this movie, and they were all such a joy and such great performers-- fans are going to love seeing all these new faces,” adds Nica Noelle.

The infidelity of “Cheaters 2” begins with sexy stepdad Adam spending some extra quality time with his stepson, Derek. However, Derek’s eyes begin to wander towards his sister’s boyfriend, Devon. No matter, Adam is busy seducing a young, troubled sex addict, Killian. Meanwhile, sexy straight boy Roman secretly hooks up with his brother-in-law, Billie.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
