Strap-on sex has never been more intense than Sweetheart Video's first volume of aggressive, lesbian penetration. "We had a lot of fun conceiving and executing this new series concept," states Dana Vespoli. "There's a deep and sexy psychological element to strap-on sex, and our goal was to explore it in every storyline."

In scene one, super diva Megan gives makeup artist Brett a hard time – eventually Brett loses her cool and shows Megan who's boss. Curvy Karlie feels betrayed when business partner Sasha wants to part ways, but Karlie finds a way to leverage power and blow Sasha away. Voluptuous Sovereign has had enough of her boss' spoiled daughter, red-haired Amarna, so she teaches the brat a lesson she'll never forget! Finally, world-class snowboarder Elle can't stand her teammate, Dillion, so it's up to the two girls to work out their differences in the hottest way possible.

Sweetheart Video's goal is to create original, innovative girl / girl erotica for the discerning viewer. Sweetheart films are storyline-driven, carefully cast, and always containing real sexual encounters between women who truly want to be together.
