**MONTREAL, Quebec (July 20, 2016)** – [Erotica X](#) is diving even deeper into the subject of complex relationships in its new movie, "Polyamory: Vol. 2," now available on DVD. Directed by James Avalon, the couples-friendly flick features four passionate scenes of polyamorous love and sex.

"Polyamory: Vol. 2" stars Valentina Nappi, Elle Alexandra, CeCe Capella, Ana Foxxx, and Pepper XO.

In "Polyamory: Vol. 2," Erotica X explores if it is possible to love more than one person at a time. Partners Valentina and Seth are finding out, as they both pursue polyamorous relationships. Seth is new to this and experiments with a younger lady, CeCe, while Valentina continues her loving lesbian affair with Elle. Pepper and James seduce Ana into their relationship as well. The verdict from all involved is life can be even more fun when spent loving, honest, and free.

"As a couples-friendly studio, we thought it was important for Erotica X to explore poly relationships in as accurate of a manner as possible," says director James Avalon. "Polyamory is more than just an open relationship. It's an exploration of romantic and erotic relationships with multiple partners, where everyone can enjoy everyone else's pleasure. In part two, we were able to convey this with some of the best talent in adult: Valentina Nappi, Pepper XO, Ana Foxx, Seth Gamble, James Deen and CeCe Capella."

"The idea of polyamorous relationships is actually very similar to the real life experiences of many porn stars, where one couple can discuss a sexual experience with his or her partner, without jealousy or the idea of ownership getting between them. And I think the sex scenes in *Polyamoy 2* both sizzle and have a wonderful, character-driven intensity to them. Valentina Nappi does both a girl-on-girl (with Elle) scene and a boy-girl (with Seth Gamble), and we are treated to both sides of this awesome sensual performer. One of year's best threesomes is a result of Pepper XO and James Deen seducing a would-be swinger, Ana Foxx."
