The first volume of the series features trans Latinas Jessy Dubai, Savannah Thorne, and Sunday Valentina, along with studs Roman Todd, Vadim Black, and Devon Felix.

“TransSensual is working to do for the trans porn market what each of our other studios has accomplished before – create high quality, passionate films, which help turn a niche into a more mainstream genre,” states Mile High Media Vice President Jon Blitt. “The release of ‘TS Lusty Latinas’ shows how the studio is catering to the demand for sub niches, like ethnic showcases, in order to diversify the amount of available content for various tastes.”

In “TS Lusty Latinas: Volume 1,” Jessy gets in a lover's spat with sexy stud Roman that ends in explosive hate sex. Elegant Savannah can't deny her lust for her sister's fiancée and finally gives in to her forbidden passions. Escort Sunday gives young hottie Devon a body massage he'll never forget, and Jessy tries to break up with dull boyfriend Vadim, but he turns the tables on the lusty Latin bombshell.

Inspired by Mile High Media and award-winning director Nica Noelle's success with awarded gay romance studio Icon Male, and studios Sweet Sinner and Sweetheart Video, TransSensual exemplifies Noelle's distinctive style with a slight twist, producing trans-positive erotica, deviating from the typical TS porn genre. TransSensual highlights the most stunning TS performers with an emphasis on ordinary people, confronted with sexual temptation and conflict, focusing on the emotions that fuel real, passionate sex.
