

EROTICA X RELEASES SEXY NEW SERIES, 'FIRST DATES'

Six Beautiful Women, Including Abella Danger & August Ames, Go on First Dates Leading to Passionate Sex

MONTREAL, Quebec (August 23, 2016) – “First Dates,” a new series from [Erotica X](#), is now available on DVD. The debut release features six beautiful women, including superstars Abella Danger and August Ames, going on four first dates. Whether with another woman or a man, each of the dates leads to passionate sex between the young lovers.

“First Dates: Vol. 1” stars Abella Danger, August Ames, Scarlett Sage, Charlotte Stokely, Jessa Rhodes, Alexa Grace, Tyler Nixon, Lucas Frost, and Jean Val Jean.

Whenever a new relationship begins, there is always that First Date. Abella finally gives in to her co-worker, Tyler's pursuit. Jessa decides to try dating a woman, picking the sexy Charlotte as her first, and a large hot tub for their post-date tryst. August is reconnecting with Lucas after he's been away for a few years to see if they still have a spark. And in the final scene, Scarlett and Jean are looking to experience a third party... Alexa Grace.

“Regardless of how experience you are sexually, there is always the excitement of the unknown that pulses through you on the first date and the first time,” says “First Dates” director James Avalon. “The performers really got into the scenes, shyly getting to know each other before gaining more confidence with the hot sex scenes!”

In addition to releasing “First Dates: Vol. 1” on DVD, all four scenes are available to members on Erotica X's site, [EroticaX.com](#). All content on [EroticaX.com](#) is 100% exclusive and filmed in HD. Each week, the site will receive three updates – two HD photo sets and one HD video.

Scenes from [EroticaX.com](#) are unlike anything else on the marketplace and a slight departure from what fans have come to expect from studio founder Mason. Erotica X features beautiful and intimate exchanges between performers; the main focus is on connections and chemistry. The movies are shot entirely on DSLR cameras for visually stunning results. Previews are constantly provided via the studio's blog, <http://blog.eroticaX.com>.
