"Nica Noelle built a lot of her reputation on taboo and controversial films for Mile High Media studios Sweetheart Video and Sweet Sinner, and now she is exploring some of the same forbidden subject matter with her films for Icon Male," says Mile High Media Vice President Jon Blitt. "Porn fans love faux-cest movies, and I know we'll quickly see 'His Hot Brother-in-Law' shoot up the gay sales charts."

When reformed bad boy Johnny (Todd) settles down with caring new wife Charlotte (Skye), he vows to stay on the straight and narrow. But when Charlotte's younger brother, Jayden (Banks), comes to visit, horny Johnny can't help but notice his teenage brother-in-law is hung like a horse. As sexual tension builds between Johnny and Calvin, Charlotte's gorgeous friends Eric (Santoro) and Paul (Barrows) take the opportunity to hit on the hot new brothers.

As an innovator in gay erotica Icon Male received Cybersocket's 2016 Best New Site Award and 2015 Awards nomination for Best New Company plus, XBIZ 2015 Awards nominations for Gay Movie of the Year for "Forgive Me Father," and Gay Director of the Year for Nica Noelle.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its

consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment.
